

NAWSHIN AHANA (AHANA)

Philadelphia, PA | 267-844-8072 | ahana.nawshin@gmail.com

EDUCATION

University of Pennsylvania | Philadelphia, PA | Class of 2027

B.A., Mathematics and Computational Biology

B.A., Cultures and Societies of the Middle East and North Africa (CAS MENA) – Honors Program.

Honors & Awards: Steinhardt Scholar | Pioneer Academics Scholar |

Relevant Coursework: Pricing Policy, Causal Inference, Analysis, Artificial Intelligence, Modern Data Mining, Personal Finance.

CONSULTING & CORPORATE EXPERIENCE

Boston Consulting Group (BCG) — Chicago, IL

Bridge to Consulting Program | May 2025

- Competitively selected for BCG's early-career consulting program emphasizing structured problem-solving, strategic analysis, and client-focused communication
- Applied core consulting frameworks to real-world business cases, developing data-backed recommendations through collaborative team-based work
- Evaluated a market entry and pricing strategy case, conducting market sizing, competitive assessment, and pricing analysis to shape actionable recommendations for clients.

Capital One × UPenn Consult for America Case Competition

Participant | Apr 2026

- Partnered with a 4-person team to develop an international growth strategy for Capital One, leveraging market sizing, competitive analysis, and structured problem-solving to evaluate expansion opportunities across multiple markets
- Built a 20-slide executive-ready recommendation deck and presented to Corporate Strategy leaders, translating complex data into a clear, actionable roadmap for global growth
- Navigated competing priorities and tight deadlines in a fast-paced team environment, demonstrating agility and adaptability under pressure

Sheppard Financial Group — Philadelphia, PA

Financial Advisor Intern | May – Jun 2025

- Conducted client needs analysis and developed personalized financial strategies aligned with long-term goals, translating complex financial concepts into clear, client-facing recommendations
- Built foundational expertise in client relationship management and solution-oriented problem-solving under licensed advisors, demonstrating empathy and active listening skills

ANALYTICS & RESEARCH EXPERIENCE

Wharton Sports Analytics & Business Initiative (WSABI), University of Pennsylvania — Philadelphia, PA

Quantitative Research Fellow | Mar — Aug 2026

- Analyze large-scale Formula 1 datasets to evaluate strategic decision-making and trade-offs under uncertainty used Python and R
- Build Bayesian statistical models and Markov Decision Processes to quantify uncertainty and identify optimal pit-stop timing under varying track conditions

TEACHING & LEADERSHIP

Wharton Global Youth Program, The Wharton School Of Business | Philadelphia, PA

Teaching Assistant | *Essentials of Personal Finance* (Aug 2025 – Present) & Wharton Moneyball Academy (Jun – July 2026)

- Mentor 10 students through independent sports analytics projects and support 75 students daily in R code troubleshooting and statistical concept explanation
- Co-deliver financial education curriculum to 50+ high school students alongside MBA students, translating complex concepts into accessible instruction

Zeta Tau Alpha, University of Pennsylvania — Philadelphia, PA

Activities Director | Feb 2025 – Feb 2026

- Orchestrated comprehensive programming and execution for major events serving over 200 members, overseeing vendor negotiations, venue coordination, and operations
- Managed organizational budgets through detailed expense monitoring and strategic allocation, ensuring complete fiscal responsibility while enhancing member experience
- Aligned cross-functional stakeholders including board officers, venue partners, and general membership to execute impactful initiatives under tight financial parameters
